87. Create an Online Course

If you possess a particular skill or expertise, consider creating an online course. Platforms like Udemy and Coursera allow you to create and sell courses on diverse topics. Whether it's photography, coding, or marketing, there will always be people willing to learn. By sharing your knowledge, you can make a significant income through course sales.

Earning \$100 or more per day online is entirely feasible if you're willing to put in the time and effort. The possibilities are endless, and whether you choose to freelance, engage in affiliate marketing, or start your own online business, there's an avenue for everyone. Explore the options provided in this article and find the one that suits your skills and interests the best. Don't be afraid to take the leap into the online world – it may just be the start of a financially rewarding journey!
