**Witness the groundbreaking discoveries** that have revolutionized our understanding of the universe. From Galileo's exploration of the cosmos to Einstein's theory of relativity, our thirst for knowledge has propelled us to new frontiers.

**Experience the moments of great upheaval** that have shaped the course of history. From the rise and fall of empires to the struggles for freedom and equality, humanity has continuously fought for progress, sometimes against seemingly insurmountable odds. "And We Go On" delves into these transformative events, bringing them to life before your eyes.

## **An Exploration of Resilience**

While history often highlights the achievements of individuals, "And We Go On" emphasizes the collective resilience of entire communities and societies. It reminds us that we are part of an intricate web of interconnectedness, where the actions of individuals have far-reaching consequences.

Take a step back in time and witness the surviving remnants of ancient civilizations. Explore the pyramids of Egypt or the ruins of Pompeii, testaments to the enduring spirit of humankind.

From tales of exploration to stories of survival, "And We Go On" uncovers the threads that bind us together as a species, highlighting our shared struggles and victories.

## **Awe-Inspiring Footage and Narration**

"And We Go On" is not just another historical documentary; it is a visual masterpiece. The filmmakers have painstakingly gathered rare and captivating footage from archives all over the world. Each scene unfolds like a vivid painting, immersing viewers in the beauty and complexity of our shared human journey.

The narration by an esteemed storyteller transports you into different eras, offering vivid descriptions that ignite the imagination. Through their words, you will feel the anticipation of explorers, the bravery of revolutionaries, and the hope of dreamers.

"And We Go On" is a documentary that celebrates the incredible spirit of humanity. Through its captivating storytelling, mesmerizing visuals, and evocative narration, it takes audiences on an unforgettable journey through time.

Prepare to be moved, inspired, and amazed as you witness the countless triumphs and tribulations of the human race. "And We Go On" is a reminder that, no matter what challenges lie ahead, the indomitable spirit of humanity will continue to prevail.

In the autumn of 1915 Will Bird was working on a farm in Saskatchewan when the ghost of his brother Stephen, killed by German mines in France, appeared before him in uniform. Rattled, Bird rushed home to Nova Scotia and enlisted in the army to take his dead brother's place. And We Go On is a remarkable and harrowing memoir of his two years in the trenches of the Western Front, from October 1916 until the Armistice.

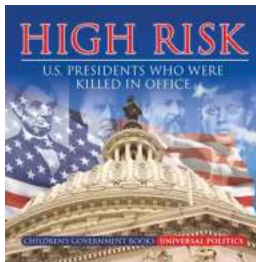

When it first appeared in 1930, Bird's memoir was hailed by many veterans as the most authentic account of the war experience, uncompromising in its portrayal of the horror and savagery, while also honouring the bravery, camaraderie, and unexpected spirituality that flourished among the enlisted men. Written in part as a reaction to anti-war novels such as All Quiet on the Western

Front, which Bird criticized for portraying the soldier as "a coarse-minded, profane creature, seeking only the solace of loose women or the courage of strong liquor," And We Go On is a nuanced response to the trauma of war, suffused with an interest in the spiritual and the paranormal not found in other war literature. Long out of print, it is a true lost classic that arguably influenced numerous works in the Canadian literary canon, including novels by Robertson Davies and Timothy Findley.
