An “uproarious” shifter romance with “intensely satisfying chemistry between the leads” from the New York Times-bestselling author (Publishers Weekly).

Livy Kowalski has no time for idiots. When you shapeshift into a honey badger, getting through life's irritants is a finely honed skill. Until she gets stuck housing her nutso cousin and dealing with her dad's untimely and unexplained demise.

That's where Vic Barinov comes in--or his house does. Vic can't step outside without coming back to find Livy devouring his honey stash and getting the TV remote sticky. It gets his animal instincts all riled up. But he'll have to woo her at high speed: all hell is breaking loose, and Livy is leading the charge...

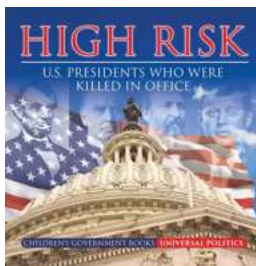

“Erotically charged...Laurenston builds up her world with a sprawling cast of memorable characters and their over-the-top antics, featuring everything from bear-only towns with Renaissance Faires to shifter roller derby...delightfully zany.”—Publishers Weekly
