Haley Stevenson seems like she's got it all together: cheer captain, "Princess" of Juniper Falls, and voted Most Likely to Get Things Done. But below the surface, she's struggling with a less-than-stellar GPA and still reeling from the loss of her first love. Repeating her Civics class during summer school is her chance to Get Things Done, not angst over boys. In fact, she's sworn them off completely until college.

Fletcher Scott is happy to keep a low profile around Juniper Falls. He's always been the invisible guy, warming the bench on the hockey team and moonlighting at a job that would make his grandma blush. Suddenly, though, he's finding he wants more: more time on the ice, and more time with his infuriatingly perfect summer-school study partner.

But leave it to a girl who requires perfection to shake up a boy who's ready to break all the rules.
