Manufacturers quickly saw an opportunity to showcase their engineering prowess and develop bikes specifically for this highly competitive environment. As a result, the Classic TT Racers were born - motorcycles that became iconic symbols of speed, elegance, and power.

The Legends and Their Machines

During the Grand Prix years, an array of legendary riders and their powerful machines dominated the racing scene. Names like Giacomo Agostini, Mike Hailwood, and John Surtees became immortalized in history.

From the Italian machines of Ducati and MV Agusta to the British triumphs of Norton and BSA, each manufacturer brought forth its own masterpiece and pushed the limits of the sport. These motorcycles were not only fast but also visually stunning, with their sleek designs and attractive color schemes.

Unforgettable Moments

The Grand Prix years were filled with unforgettable moments that left fans breathless and riders immortalized as legends. From Giacomo Agostini's record-

breaking 15 World Championships to Mike Hailwood's incredible comeback victory at the Isle of Man TT in 1978, these races showcased the true spirit of sportsmanship and tenacity.

One of the most iconic moments in the history of Classic TT Racers was the legendary battle between Agostini and Hailwood at the 1967 Senior TT. The two riders pushed each other to the limit, demonstrating unrivaled skill and bravery. This intense rivalry fueled the imagination of racing enthusiasts worldwide.

At 10 o'clock on the twenty-eighth of May 1907 the first Isle of Man Tourist Trophy motorcycle road race began. The riders pushed off on their 500cc single cylinder bikes and ten laps and 158 miles later, Charlie Collier aboard a Matchless would be declared the victor. This book is a history and celebration of the bikes of those early years of the TT races. It covers the events and personalities that led to the creation of the race and its challenging course; the early success of the British motorcycle manufacturers: Norton, Velocette, AJS and Matchless and their riders. The origins of the Italian Fours: Gilera and MV Agusta Quattro are covered and the influence and reign of the Japanese manufacturers too are covered: Honda, Yamaha, Kawasaki and Suzuki. There are also details of the technical developments that enabled the bikes to conquer the mountain course with world-record beating times.
