Learn to Read with EP is Easy Peasy All-in-One Homeschool's Learn to Read course. This is the second and most recent edition of the book. I have hesitated in the past putting up a Kindle version of the phonics because the formatting can come out weird on the Kindle. Just be aware of some weird spacing in the phonics section. This version contains the updated names and language now found in EP's online Learn to Read course. Easy Peasy All-in-One Homeschool is an online homeschool curriculum providing high quality education to children around the globe. This book is part of a series being offered as an offline version of the site's reading curriculum. This volume includes learning sight words with McGuffey's Eclectic Primer, more reading practice with McGuffey's First Eclectic Reader and over one hundred phonics lessons. "You took my non-reading son and showed him that he could read." -Carol "My first grade boy who had been terrified to read on his own after four months of phonics work (thirty minutes a day) is now begging to try reading "Little House" books on his own (successfully even) after six weeks reading the McGuffey Primer, one lesson a day." -Danielle "I have a nine-year-old

son that has really struggled with reading. He has dyslexia. We have tried so many things. He is doing really well with the way you do reading." -Jessica
