Dr. Elizabeth Medicine Crow is a prominent figure in the Native American community. As an activist and scholar, she has dedicated her life to preserving indigenous cultures and advocating for the rights of Native Americans. Her research on the intersection of traditional healing practices and modern medicine has brought her recognition and acclaim internationally.

## 2. Lisa Sherman

Lisa Sherman is a trailblazing Native American entrepreneur who has shattered glass ceilings in the business world. She is the founder and CEO of a successful tech startup that focuses on empowering indigenous communities through technology. Sherman's dedication to uplifting Native American voices and advancing economic opportunities has earned her widespread praise.

### **3. Sarah-Jo Leadingham**

Sarah-Jo Leadingham is a passionate advocate for women's rights in Native American communities. As a survivor of domestic violence, she founded an organization that provides support and resources to indigenous women facing similar experiences. Through her tireless efforts, Leadingham has raised awareness about the unique challenges native women encounter and has become a beacon of hope for countless individuals.

#### 4. Chief Ilarion Merculieff

Chief Ilarion Merculieff is a respected spiritual leader and environmental activist of Aleut and Unangan heritage. He has dedicated his life to raising awareness about climate change and advocating for sustainable practices. Merculieff's deep spiritual connection with nature has influenced his work, allowing him to bridge traditional wisdom with contemporary environmental issues.

The profiles of these native women in contemporary America represent just a fraction of the incredible individuals who are making significant contributions to society. Their stories inspire, empower, and remind us of the immense resilience

and strength within the Native American community. It is essential to share these narratives widely, ensuring that their voices are heard and celebrated.
