The independent tomboy Andrea Carter and her beloved horse, Taffy, were first introduced in *Andrea Carter and the Long Ride Home* in 2005. Since then, popular author Susan Marlow has penned five more books in the Circle C Adventures series, filled in Andi's early years with the Circle C Beginnings series, and started a chronicle of Andrea's teen years in *Circle C Milestones*.

Published to celebrate the tenth anniversary of this positive role model for girls, Andrea Carter's *Tales from the Circle C Ranch* is a collection of short stories inspired by fan questions that fills in many of the gaps between Circle C Beginnings and Circle C Adventures. Taking place between 1873 and 1880, each story is prefaced by an explanatory note that pinpoints the action of the story in relation to events in the existing Andrea Carter books.

Wholesome fun, and with a clear Christian message throughout, Andrea Carter's *Tales from the Circle C Ranch* is a must-read for fans of the series and a fun for those who haven't yet discovered these historical gems.
