Curiosity gets the better of Dan and he embarks on a mission to explore the forbidden asylum. Alongside his newfound friends, Abby and Jordan, they discover the hidden secrets and horrors within the asylum's walls.

Madeleine Roux masterfully paints a vivid picture of the terrifying asylum, its crumbling architecture, and the disturbing history that haunts it. As you immerse yourself in the story, you'll feel the asylum's oppressive atmosphere, its dark corridors, and the unsettling presence of the tortured souls that once inhabited its rooms.

A Psychological Thriller Like No Other

Escape From Asylum takes the psychological thriller genre to a whole new level. Madeleine Roux expertly balances the supernatural elements with the

psychological anguish and fear experienced by the characters.

As Dan, Abby, and Jordan delve deeper into the asylum's secrets, the lines between reality and hallucination become blurred. They are tormented by strange occurrences, horrifying visions, and menacing entities. The pacing of the story is impeccable, as the tension builds with each page turn, leaving you breathless and terrified.

Roux's writing style brings the characters to life, making you empathize with their fears and anxieties. You'll find yourself cheering for them, hoping they can escape the clutches of the asylum before it consumes them entirely.

The Dark History Unveiled

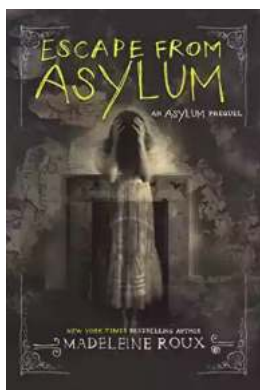

As the thrilling narrative unfolds, Roux weaves in the asylum's dark history, providing glimpses into the gruesome experiments conducted on its patients. The author's attention to detail transports you back in time, making you witness the horrors firsthand.

Escape From Asylum not only entertains but also explores deeper themes such as the limits of human sanity, the consequences of unethical practices, and the power of friendship in the face of darkness. The characters' struggles and personal growth throughout the story make them relatable and endearing.

Escape From Asylum by Madeleine Roux is a must-read for fans of psychological thrillers and horror. With its compelling plot, well-crafted characters, and chilling atmosphere, this novel will leave you craving more.

Whether you're a fan of the genre or simply looking for a spine-tingling adventure, Escape From Asylum is the perfect choice. So, brace yourself, turn off the lights, and prepare to be captivated by this nail-biting thriller.

Print length	: 352 pages

In this terrifying prequel novel to the New York Times bestselling Asylum series, a teen is wrongfully committed to the Brookline psychiatric hospital and must find a way out—before he becomes the next victim of the evil warden’s experiments. With the page-turning suspense and unsettling found photographs from real asylums that led Publishers Weekly to call Asylum “a strong YA debut,” Escape from Asylum is perfect for fans of Miss Peregrine's Home for Peculiar Children.

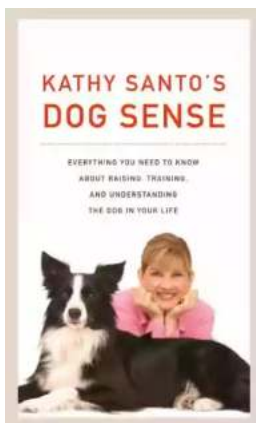

The nightmare is just beginning.

Ricky Desmond has been through this all before. If he could just get through to his mother, he could convince her that he doesn’t belong at Brookline. From the man who thinks he can fly to the woman who killed her husband, the other patients are nothing like him; all he did was lose his temper just a little bit, just the once. But when Ricky is selected by the sinister Warden Crawford for a very special program—a program that the warden claims will not cure him but perfect him—Ricky realizes that he may not be able to wait for his mom a second longer.

With the help of a sympathetic nurse and a fellow patient, Ricky needs to escape now.

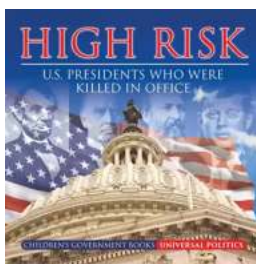

Set long before Dan, Abby, and Jordan ever walked the hallways of the Brookline asylum—back when it was still a functioning psych ward and not a dorm—Escape from Asylum is a mind-bending and scary installment in the Asylum series that can stand on its own for new readers or provide missing puzzle pieces for series fans.

Don't miss Madeleine Roux's all-new gothic horror novel, House of Furies.
