"FOR CRYIN OUT LOUD will make you laugh out loud. It's the funniest book I've read in ages. I must say it's sorely needed for that quality alone. Yet its message is profound. It handles the tough stuff--from depression to divorce, from

codependency to sexual identity. The author has a light-hearted voice, a fast-paced, crystal-clear writing style, and a relatable story, especially if you're a mom in the trenches. (And aren't we all?) We're all on the bumpy journey to finding ourselves and a better world. Why not travel together with Heidi as our guide? If you want to find yourself and your joy midst all the mind clutter, pick up this short, witty debut memoir."
