Journey to the seventeenth century and a dramatic period of political upheaval, plague, and fire, with this “vivid portrait of Restoration England” (History Today).

Inside Pepys’ London reveals a vivid picture of London at a critical point in history, as it was poised to become a major center of international commerce and culture. It provides accounts of all aspects of contemporary life, from the arts and entertainment, to politics and religion.

Samuel Pepys was not a king or a famous general—yet his renowned diary makes him one of the most interesting characters in history. His life encompassed happenings of huge historical and human impact—the execution of Charles I and the Great Fire of London to name but two. This book takes Pepys’ diary, which he kept almost daily from 1660-1669, as its central resource, but also includes a range of other contemporary sources to provide a fascinating and vivid picture of the times.
