

Meet The Sight Words Level Easy Reader Set Of 12 Books Meet The Sight Words: A Fun Way to Boost Your Child's Reading Skills

As parents, we all want our children to excel in reading. It is one of the most important skills that they will need throughout their lives. But how do we make the learning process fun and engaging for them? Meet The Sight Words Level Easy Reader Set Of 12 Books - Meet The Sight Words may just be the answer we've been looking for.

Meet The Sight Words is a unique educational tool that combines entertainment and learning in a way that is both effective and enjoyable for young readers. This set of 12 books introduces and reinforces over 50 high-frequency sight words that are essential for early reading success.

The books feature colorful and engaging illustrations that instantly capture the attention of young readers. Each page is carefully designed to include a repetitive sentence that is enriched with the targeted sight word. This way, children can easily recognize and understand the word in various contexts, helping them to form a solid foundation in reading comprehension.

One of the best features of Meet The Sight Words is the incorporation of multisensory learning techniques. Each sight word is accompanied by a memorable character or an action that serves as a visual and kinesthetic aid in remembering the word. This interactive approach helps children to associate the sight word with a specific image or movement, making it easier for them to recall and use the word in their own reading and writing.

The set of 12 books is divided into three sets with increasing difficulty levels: Easy, Harder, and Hardest. This allows children to progress at their own pace and build confidence as they master each set. The Easy Reader Set focuses on the most basic sight words, making it perfect for beginners or children who may be struggling with reading. By starting with simple words and gradually increasing the complexity, children can develop their reading skills incrementally without feeling overwhelmed.

The Meet The Sight Words Level Easy Reader Set includes books such as "I See a Cat," "Big and Little," and "We Love Animals." Each book has its own unique theme that further engages children's imaginations and interests. The themes are carefully chosen to align with the experiences and interests of young readers, ensuring that they remain motivated throughout their reading journey.

But what exactly are sight words and why are they so important? Sight words, also known as high-frequency words or instant words, are commonly used words in the English language that need to be recognized on sight. They do not follow regular phonetic rules and cannot be easily sounded out. Examples of sight words include "the," "is," "that," and "where."

Research has shown that sight words make up about 75% of all words used in children's early reading materials. By memorizing and recognizing these words, children can read more fluently and with better comprehension. Sight words are the building blocks of reading and are crucial for developing strong literacy skills.

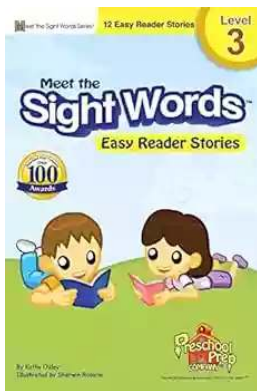

The Meet The Sight Words Level Easy Reader Set helps children to develop automaticity in recognizing and reading these essential sight words. With the repetitive sentence structure and engaging illustrations, children are encouraged to read the words in a meaningful context, helping them to solidify their understanding and improve their reading fluency. As they progress through the set, children will gain confidence in their reading abilities and develop a love for reading that will last a lifetime.

Benefits of Meet The Sight Words Level Easy Reader Set Of 12 Books

1. Engaging and Interactive: The combination of colorful illustrations, repetitive sentence structure, and memorable characters creates an immersive and interactive reading experience for children.
2. Multisensory Learning: The visual and kinesthetic aids associated with each sight word enhance memory retention and make learning more enjoyable for children.
3. Incremental Difficulty Levels: The set is divided into three levels, allowing children to progress at their own pace and build confidence as they master each set.
4. Theme-Based Books: The unique and interesting themes of each book capture children's imagination and keep them motivated to read.

5. Strong Foundation in Reading: By focusing on high-frequency sight words, children develop automaticity in reading and improve their overall literacy skills.

As parents, we play a crucial role in fostering a love for reading in our children. Meet The Sight Words Level Easy Reader Set Of 12 Books - Meet The Sight Words is a valuable tool that can help us achieve this goal. With its engaging content, interactive approach, and strong focus on sight words, this set of books provides a fun and effective way to boost our children's reading skills. So why not give it a try and watch your child's reading abilities soar?

Practicing Sight Words Has Never Been This Easy! Many words don't follow basic decoding rules and are taught in pre-k and kindergarten classrooms as 'sight words,' 'instant words,' 'high frequency words' or 'star words.' A new reader finds sight words very frustrating until they are memorized. A good reader will be able to instantly recognize sight words without having to 'figure them out.' Meet the Sight Words DVDs make practicing sight words fun and easy. Now it is time to practice what you have learned. Level 2 books focus on the 32 most common sight words. Each of the 12 Easy Reader books in the boxed set includes the 32 most frequent kindergarten sight words. The pages consist mostly of sight words.

The majority of 'non-sight words' in these books are easy to decode or have a visual cue in the illustration. Meet the Sight Words Series products have won over 25 national awards and are used in thousands of schools! You will be amazed at what your little one can learn! Featuring: a, and, all, are, as, at, be, but, by, for, from, go, had, have, he, her, here, him, his, I, in, is, it, like, look, my, of, on, one, or, play, said, see, some, she, that, the, there, they, this, to, up, was, we, with, word & you Includes: Top 30 Fry Instant Words* Top 30 Dolch Instant Words**
