A complete guide for everything you need to experience a great Long Weekend in NANTUCKET, a fascinating island that's completely different from nearby Martha's Vineyard.

"I've been wanting to go to Nantucket for years but never got around to it, but my wife thought it sounded like a bad idea, since we always go to the Vineyard. Now that we've been for a long weekend to check it out, my wife and I plan to return again within 6 months. She loved it as much as I did. What a charming island!"
