HOW DO YOU MOVE ON FROM SOMEONE YOU NEVER FELL OUT OF LOVE WITH?

I swear, I've got to be the only person on the planet that hates Halloween. At least the only person in my small town of Hallow, and they practically worship the

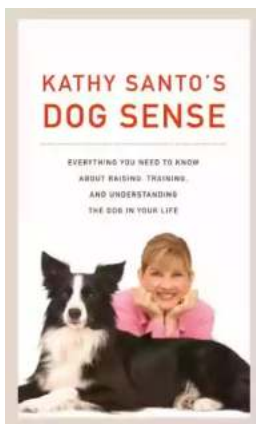

holiday. Ugh.

And my ex-boyfriend, Lucas, thinks he can change my mind by making me take part in “festive activities.” Apparently carving pumpkins and watching scary movies is going to magically change my mind about the holiday? Yeah, right.

But I've never told anyone the truth of why I hate Halloween or the truth about why I broke up with Lucas. Definitely haven't told anyone how much I'm second-guessing that decision. Being around him is so much harder than I thought, especially when it looks like he's starting to move on...

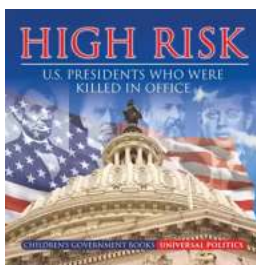

And to top the crappiness of it all off, I got a letter in the mail from someone who broke my heart two years ago--my father.

With scary movies and pumpkin spice, the third book in the Love in Fenton County standalone romance series, *If the Broom Fits*, is a sweet and heartfelt autumn romance that will put you in the spirit of Halloween.
