## **Step into Wonderland**

Beddor's Wonderland is not the whimsical and nonsensical world from Carroll's original story. Instead, it is a treacherous and divided place torn apart by political intrigue and power struggles. The narrative unfolds through the eyes of Alice Liddell, now known as Princess Alyss Heart, the true heir to the Wonderland throne. Alyss finds herself thrown into exile in Victorian London after escaping a bloody coup led by her power-hungry aunt, Redd. With the help of an enigmatic bodyguard, Hatter Madigan, Alyss embarks on a quest to reclaim her rightful

place as the ruler of Wonderland. This thrilling plot takes readers through a maze of unexpected twists and turns, leaving them breathless and eager for more.
