Featuring presentations made by several of America's most outstanding coaches, including Paul Alexander, Josh Henson, Jim McNally, Howard Mudd, Scott Peters, Dan Radakovich, Dante Scarnecchia, Mark Staten, Rick Trickett, Tony Wise, and Bob Wylie. The concept of a clinic geared specifically toward addressing the needs and interests of offensive linemen came to fruition in 1982, when a group of about 18 coaches met with Jim McNally, an assistant coach with the NFL's Cincinnati Bengals at the time, in the Bengals' training facility. Coaches enjoyed this clinic and it an annual event. Traditionally, the C.O.O.L. Clinic has been held the third week in May each year to accommodate the large number of college coaches who incorporate this event into their spring schedule.
