Wright's illustrations are a visual feast for the eyes. From the mischievous kittens to the dancing fairies, each image holds a story of its own. The use of vibrant colors and intricate detailing creates a magical world that children can't help but lose themselves in.

Rediscovering Childhood Classics

The Real Mother Goose is more than just a collection of nursery rhymes. It represents a journey into the world of imagination, where anything is possible. Its enduring popularity comes from its ability to capture the hearts of children and adults alike.

With its charming verses and relatable characters, The Real Mother Goose transports readers to a whimsical world where animals talk, dishes run away with spoons, and cows jump over the moon. These rhymes not only entertain but also teach valuable lessons about friendship, kindness, and the world around us.

THE REAL MOTHER GOOSE

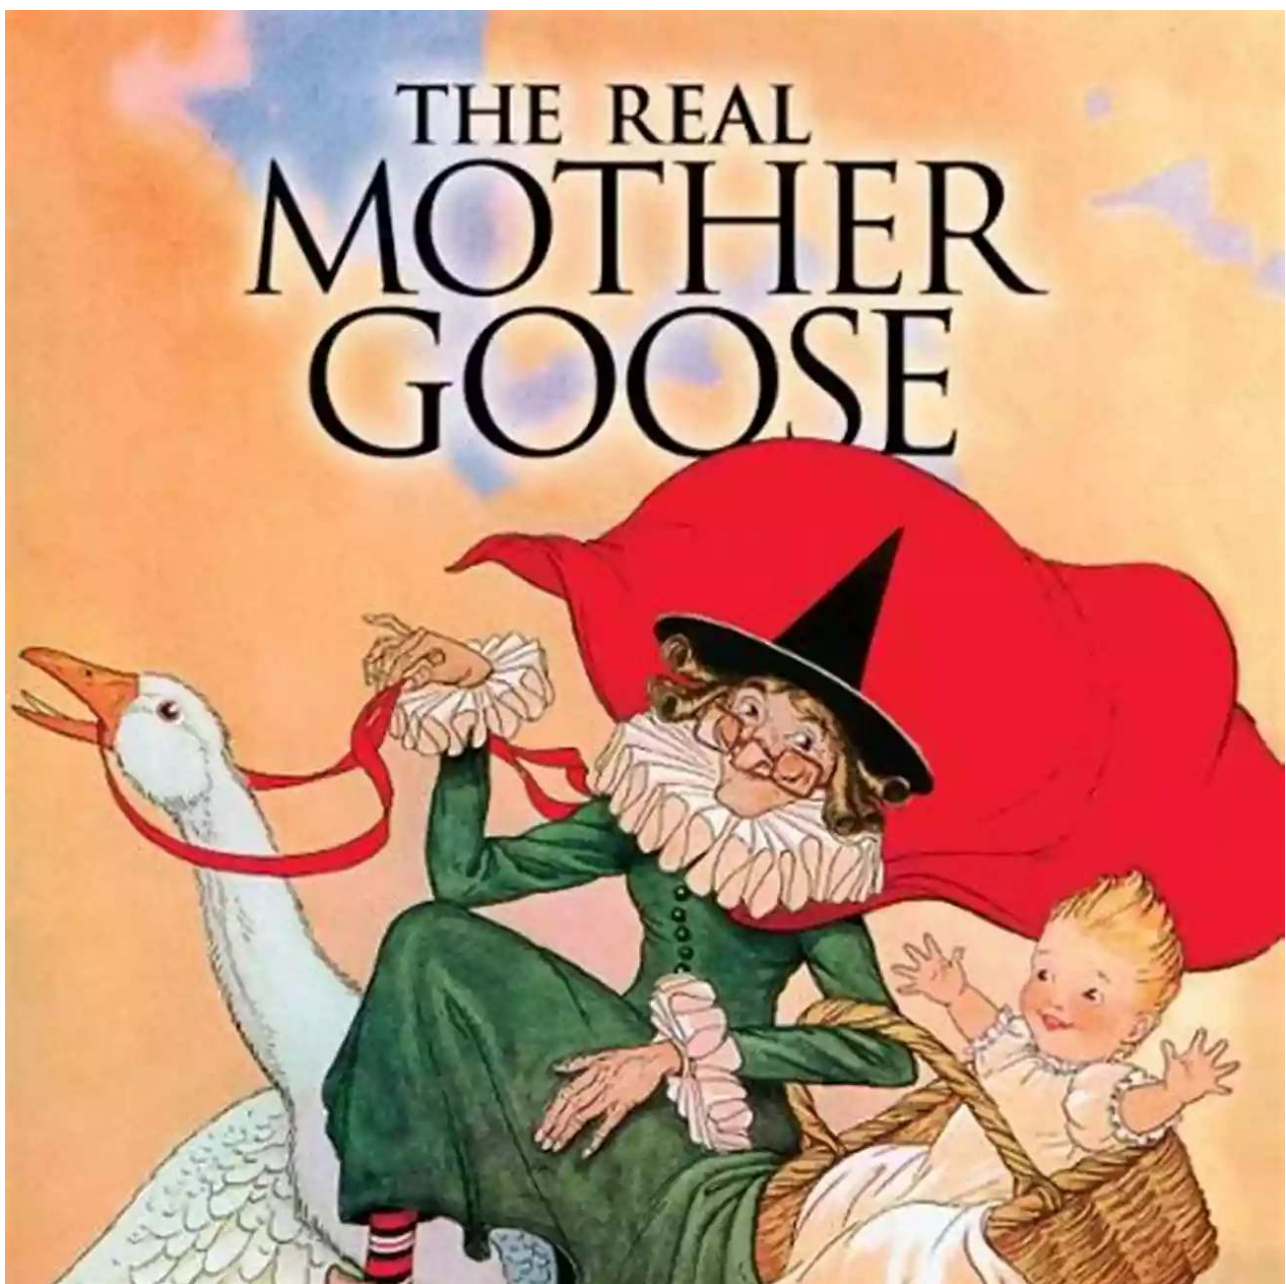

Blanche Fisher Wright's illustrations add a whole new dimension to the rhymes, breathing life into each character. The detailed illustrations help young readers understand the meaning behind the words, enhancing their reading comprehension and fostering a love for storytelling.

A Timeless Treasure

The Real Mother Goose is not just a book; it is a cherished heirloom. Passed down from one generation to the next, it holds a special place in many families' hearts. Its enduring popularity speaks to its timeless appeal.

As technology continues to dominate our lives, it is refreshing to revisit these classic tales and share them with our children. The Real Mother Goose encourages quality time spent with loved ones, fostering bonds and creating lasting memories.

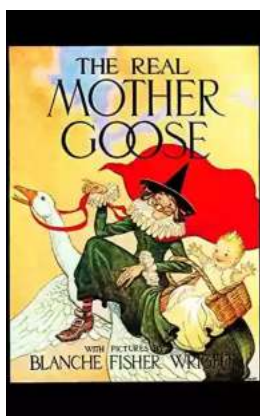

Preserving a Legacy

Blanche Fisher Wright's illustrations are integral to The Real Mother Goose's enduring success. They transport readers to a world where imagination knows no bounds. Through her artwork, Wright brings a touch of magic to each rhyme, making it an experience to treasure.

By embracing this timeless classic, we ensure that future generations can experience the joy and wonder that The Real Mother Goose has brought to countless children for over a century. Blanche Fisher Wright's illustrations continue to captivate young readers, sparking their creativity and igniting a love for reading that lasts a lifetime.

The Real Mother Goose with Pictures by Blanche Fisher Wright is a masterpiece that deserves a spot on every child's bookshelf. This enchanting collection of nursery rhymes and stunning illustrations captures the hearts and imaginations of readers young and old.

Embrace the magic of The Real Mother Goose, and rediscover the joy of storytelling and the power of imagination. Share this timeless treasure with the children in your life, and create lasting memories that will stay with them forever.

WHO WAS MOTHER GOOSE?

Contrary to popular belief, Mother Goose was neither a mother nor a goose. So who was she? Well, according to most historians, the author of hundreds of iconic nursery rhymes and fairy tales was not a real person, but rather many people, both men and women, who handed down their rhymes and fairy tales in the form of folk tales for generations. The first publication of these folk tales dates back to 1697 when Charles Perrault published a book in France called Tales From My Mother Goose. It became very popular in France and was translated into English in 1729. There have, of course, been many Mother Goose books published over the years. This book is an enhanced recreation of The Real Mother Goose, published by Rand McNally in 1916 and includes the original charming illustrations of Blanche Fisher Wright. You will no doubt recognize many of the 59 Mother Goose rhymes in this book from your own childhood. It now becomes your duty to pass them on to your children so that someday they can pass them on as well.
