True Crime: Missouri tells 11 stories of deadly doings in the "Show-Me" state. Author David J. Krajicek also considers whether there is something in the state's bloodlines that makes Missourians a particularly foul breed. One new resident of the state said a neighbor suggested that Missourians like to handle conflicts themselves. His advice: "You shoot, you shovel, and you shut up."

Among the featured crimes in the book:

- Lee Shelton's barroom murder of Billy Lyons in St. Louis, which inspired the popular song "Stagger Lee."
- The vigilante killing of the "town bully" of Skidmore, Ken McElroy. Did the tiny town, which has shriveled to nearly ghost-town status, curse itself by keeping a secret about the slaying?
- The heartless kidnapping and murder of millionaire Robert Greenlease's son in Kansas City by a couple of St. Joseph barflies.
- The Kirkwood City Council massacre.
- The "throwaway" serial killings of perhaps two dozen young prostitutes in Kansas City by a garbage collector named Lorenzo J. Gilyard.
- The forgotten story of "Cockeyed" Cook, a lost soul from Joplin who massacred an entire family and dumped them down a mineshaft.
- The "American Gothic" killers, farmer Ray Copeland and his wife, Faye. They murdered their farm hands near Chillicothe in a bizarre plot to make money, and then made the mistake of planting their human crop too shallow.
