The curse Malvina invoked upon Pixie Point Bay was a malevolent spell that gradually drained its vibrant life force. Slowly but surely, the bay began to wither and decay, causing distress among its inhabitants who relied on its resources for survival.

As the once lush green coastal landscape turned barren, the community fell into despair. The cries for help filled the air, and hope seemed to diminish with each passing day. But amidst the desperation, a young and daring witch named Seraphina stood up to challenge Malvina's curse and save the bay.
