You've probably heard about Hidden Mickeys, those three-circled representations of Mickey Mouse that Disney Imagineers love to hide all around Walt Disney World. There are books on where to find Hidden Mickeys, but what about the other whimsical hidden details throughout the Walt Disney World parks and resorts?

Some of these "hidden" gems are getting to be common knowledge, like the five-legged goat in the mural at the Contemporary Resort and the Singing in the Rain umbrella at Disney's Hollywood Studios. Others, like the wedding ring in the Haunted Mansion queue line or the mouse ears on one of the Vikings in the Maelstrom ride mural, are less well known.

This book, "Disney World Treasure Hunt: Hidden Gems in the Disney Parks and Resorts...And How to Find Them," is your map to more than 50 such gems. You'll learn about things like a very special Hidden Mickey you can only see for one hour once a year and the AAA 13 Diamond plaque in the Tower of Terror.

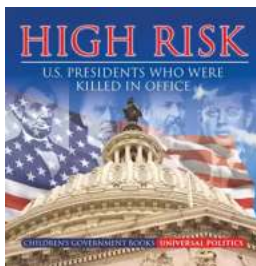

Read about these hidden treasures and enjoy the photos of each one. Then bring the book with you when you visit Walt Disney World and see how many you can track down in person.
